What is Geering Up?

UBC Geering Up Engineering Outreach is a non-profit, student-run organization, dedicated to promoting STEAM concepts to the children and youth of British Columbia through fun, innovative, and hands-on experiments and projects. Over the past 27 years, Geering Up has reached over 150,000 youth through summer camps, in-school workshops, community outreach trips, clubs, and more. On UBC's Okanagan Campus, Geering Up has operated for 7 years, bringing Geering Up's exciting programming to the Okanagan region. More information about Geering Up is available on our [website](#).
