### What is Geering Up?

UBC Geering Up Engineering Outreach is a student focused organization dedicated to promoting Science, Technology, Engineering, Art and Math (STEAM) concepts to the children and youth of British Columbia through fun, innovative, and hands-on experiments and projects. Geering Up recognizes that there are systemic barriers that prevent many people from pursuing careers in STEAM. Thus, Geering Up strives to reach all children and youth, regardless of gender, ethnicity, culture, or socio-economic status.

Over the past 30 years, Geering Up has reached over 150,000 youth through summer camps, in-school workshops, community outreach trips, clubs, and more. On UBC's Okanagan Campus, Geering Up has operated for 10 years, bringing Geering Up's exciting programming to the Okanagan region. More information about Geering Up is available on our [website](#)

### What skills are we looking for?

- Experience working with children/youth, preferably in a learning environment
- Background or comfort in STEAM topics, or a willingness to learn the basics of STEAM subjects
- Planning, organizational, multi-tasking, and self-directed work skills
- Proven leadership and people-coaching skills, ideally in a supervisory role
- Exceptional teamwork abilities
- Excellent communication and interpersonal skills
- Special consideration may be given to those who are able to drive and have a vehicle
- Experience purchasing and working within operating budgets
- Special consideration may be given to those with formal training in special education and/or disability theory, those who have worked in a programming environment in the past, and those with current Standard First Aid certification
- All Geering Up staff need a Criminal Record Check on file to work with children
